RELATIVE TO TRANSACTING BUSINESS WITH STATE OF WISCONSIN.

Mr. Hornaday offered the following resolution:

Whereas, The Hon. John L. Newman, secretary of the Wisconsin Real Estate Brokers Board, in company with others of said board, recently visited the Lower Rio Grande Valley of Texas; and

While on said trip Mr. Newman purchased a tract of land in said valley; and

Whereas, We see from the press Mr. Newman has been fired from his position on said board by reason of his purchase; now, therefore, be it

Resolved by the House of Representatives of the State of Texas, That we express our appreciation of the visit of these Wisconsin gentlemen to Texas and to the Lower Rio Grande Valley thereof, and we desire to compliment Mr. Newman on his judgment, faith and belief in this great fertile section of Texas, and that Texas adopt Mr. Newman as a citizen of Texas; and be it further

Resolved, That the people of Texas be requested to refrain from the purchase of any article manufactured or produced in the State of Wisconsin for so long as Wisconsin discriminates against Texas.

Signed—Hornaday, Johnson of Dimmit, Pope of Nueces, Dunlap.

The resolution was read second time.

On motion of Mr. Purl, the resolution was referred to the Committee on State Affairs.

TO REQUEST THE ATTORNEY GENERAL TO WITHHOLD CERTAIN SUIT.

Mr. Hornaday offered the following resolution:

Whereas, The Forty-first Legislature passed an act, being Chapter 274, regulating local mutual aid associations; and

Whereas, Section 29 of that act in express terms exempted from the operation of the law associations theretofore legally operating State-wide on assessment basis under any charter theretofore granted under any valid statute of the State; and

Whereas, At the time of the enact-

ment of the statute, a few large and important insurance companies were, at that time, doing a State-wide business in the State of Texas under charters and laws up to that time considered to be valid; and

Whereas, After the enactment of the aforesaid law regulating mutual aid associations the Attorney General attacked the validity of the charters under which several State-wide insurance companies were doing business, and said suits so attacking said charters are now pending and have not been tried in the courts; and

Whereas, It was not the intent of the Legislature to summarily put out of business these large insurance companies, affecting more than one hundred million dollars of insurance, which insurance companies had been operating in good faith; and

Whereas, Said fifty million dollars of insurance had been in good faith purchased by the people of the State of Texas, many thousands of whom at this time, because of advanced age or for other reasons, cannot acquire new insurance and

Whereas, It would be contrary to public policy to destroy the aforesaid mutual insurance associations, thereby depriving thousands of citizens of the State of Texas of valuable life insurance which they now have; and

Whereas, It was not the intention of the Legislature in the enactment of said Chapter 274 to destroy said mutual life insurance associations, but merely to regulate them; now, therefore, be it

Resolved, That the House of Representatives of the Legislature of Texas respectfully petitions the Honorable Attorney General of this State to withhold prosecutions of said suits until after the Regular Session of the Legislature, which convenes in January, 1931, has an opportunity to provide laws for the regulation of said insurance companies without the necessity of completely destroying their business and without the necessity of destroying valuable policies bought by thousands of people in this State in good faith for the protection of themselves and their families.

In passing this resolution the Legislature accords to the Attorney General good faith in instituting said suits, but the Legislature recognizing that there is doubt in the language in which the exemptions were made in said Chapter 274 desires an opportunity to correct same in order to afford adequate protection to the people of this State who

have purchased life insurance from mutual life insurance associations, as well as to such associations.

The resolution was read second time.

Mr. Purl moved that the resolution be referred to the Committee on State Affairs.

Mr. Storey moved that the resolution be referred to the Committee on Insurance.

Question recurring on the motion of Mr. Storey, it prevailed.

RELATIVE TO INSTRUCTING CONFEREES ON HOUSE BILL NO. 2.

The Speaker laid before the House, as unfinished business, resolution heretofore offered by Mr. Morse relative to instructing conferees on House bill No. 2, the resolution having heretofore been read second time.

Mr. Young raised the following point of order:

Mr. Speaker: I raise the point of order that this resolution comes too late. After the matter has been turned over to the conference committee, nothing remains before the House at this time, the committee having made no report. The time to instruct a conference committee is when the committee is authorized, not after they have entered upon their negotiations and have made no report.

The Speaker sustained the point of order.

TO PROVIDE FOR NEW CHAIRS FOR HOUSE OF REPRESENTATIVES.

Mr. Purl offered a resolution relative to purchase of members' chairs for the House of Representatives.

The resolution was read second time.

Mr. Petsch raised a point of order on further consideration of the resolution at this time on the ground that the time for the consideration of resolutions has expired.

The Speaker sustained the point of order.

SENATE BILL NO. 20 ON THIRD READING.

The Speaker laid before the House, on its third reading and final passage,

S. B. No. 20, A bill to be entitled "An Act to amend Chapter 65, House bill No. 104, passed at the First Called Session of the Forty-first Legislature, as amended by Chapter 62, Senate bill No. 116, passed at the Second Called Session of the Forty-first Legislature, relating to regulating the avocation and

art of barbering; prescribing such sanitary rules and regulations in order to insure the proper sanitary conditions and to prevent the spreading of diseases; repealing all laws or parts of laws in conflict herewith, and declaring an emergency."

The bill was read third time.

Mr. Gates offered the following amendment to the bill:

Amend Senate bill No. 20 by inserting at proper place, "provided, however, no doctor making any examination required by this act shall charge more than \$2.00 for it."

Mr. Chastain moved the previous question on the pending amendment and the bill, and the main question was ordered.

Question first recurring on the amendment by Mr. Gates, it was lost.

SENATE BILL NO. 10 ON SECOND READING.

The Speaker laid before the House, on its second reading and passage to third reading,

S. B. No. 10, A bill to be entitled "An Act to amend Chapter 81 of the General Laws of the State of Texas, passed by the Fourth Called Session of

the Thirty-fifth Legislature, approved April 3, 1918, creating the Commission of Appeals of the State of Texas, as amended by Chapter 34 of the General Laws of the State of Texas, passed by the Second Called Session of the Thirty-sixth Legislature, approved July 25, 1919, as amended by Chapter 119 of the General Laws of the State of Texas, passed by the Regular Session of the Thirty-seventh Legislature, approved March 31, 1921, as amended by Chapter 154 of the General Laws of the State of Texas, passed at the Regular Session of the Thirty-eighth Legislature, approved March 30, 1923, as amended by Chapter 53 of the General Laws of the State of Texas, passed by the Regular Session of the Thirty-ninth Legislature, approved March 9, 1925, providing for the creation of a commission to aid the Supreme Court of Texas; regulating their powers and duties; prescribing their qualifications, appointment, duration of service; providing for stenographers, clerical help, and porter, and fixing their compensation; fixing the salaries of the Commissioners, the manner of payment thereof, and declaring an emergency."

The bill was read second time.

Mr. Hopkins offered the following amendments to the bill:

(1)

Amend Senate bill No. 10 by adding to Section 2 thereof the following, to-wit: "Provided and except, however, no member of the Commission of Appeals so appointed as herein set out shall qualify or receive the oath of office until his appointment shall have been confirmed by and through the advice and consent of two-thirds of the Senate present."

(2)

Amend Senate bill No. 10 by adding to Section 3 thereof the following, to-wit: "Provided and except, however, such appointment, if made during its session, shall be with the advice and consent of two-thirds of the Senate present. If made during the recess of the Senate, the said appointee, or some other person to fill such vacancy, shall be nominated to the Senate during the first ten days of its session. If rejected, said office shall immediately become vacant, and the Supreme Court shall, without delay, make further nominations until a confirmation takes place. But should there be no confirmation during the session of the Senate, the Supreme Court shall not there-

after appoint any person to fill such vacancy who has been rejected by the Senate, but may appoint some other person to fill the vacancy until the next session of the Senate."

Mr. Petsch raised the following point of order:

We make the point of order that the amendments are unconstitutional because the power of legislative confirmation is expressly vested in the Senate and limited to executive appointments alone.

Signed—Petsch, Graves of Williamson.

(Pending consideration of the point of order, Mr. Graves of Williamson and Mr. Morse occupied the chair temporarily.)

(Speaker in the chair.)

Mr. Kemble moved the previous question on the pending amendments, point of order and the bill, and the main question was ordered.

Mr. Sinks moved to reconsider the vote by which the bill was passed, and to table the motion to reconsider.

The motion to table prevailed.

Reason for Vote.

I voted for the Hopkins amendments to Senate bill No. 10 because I think that, if the bill is constitutional, the Legislature has the power to require confirmation of the appointees by the Senate.

The amendment was rejected. I then voted for the passage of the bill. I did this with considerable doubt in my mind, but resolved that doubt in favor of the bill. It is difficult to believe that the Legislature can empower the Supreme Court to appoint judges of the Commission of Appeals; also, to vest the judges so appointed by said court with any judicial power now specifically fixed in the Supreme Court proper by the Constitution. In other words, it is difficult to believe the Legislature can either enlarge or decrease the powers fixed and vested by the Constitution.
